Clarification

Sub: Applications to be registered under SURYA-Gujarat scheme/MNRE's Ph-II RTS programme – A Clarification thereof.

Ref: GUNVL/ Tech/Solarcell/SRT/1285 dated 26-07-2023

Vide letter under reference, due date for application registration, work completion intimation and claim submission under the SURYA-Gujarat scheme was declared for the tenders finalized by MGVCL on behalf of all DISCOMs of Gujarat State for empanelment of Agencies for Design, Supply, Installation, testing & commissioning of Grid connected RTS in Residential area aggregating to 700 MW for Urban area and 300 MW for Rural area including five-year comprehensive maintenance in the State of Gujarat.

Considering the due date of Empanelment/Tender i.e 18-01-2024 to include the all claims of RTS systems commissioned under MNRE's sanction of 1000 MW, the due date of registration of application is kept 30-09-2023 so that Agencies will complete the work well before the due date of tender's validity.

Recently, it is come to notice that some Agencies are spreading mis-information about the SURYA-Gujarat scheme that the scheme is going to be closed on 30-09-2023.

In this regard, it is clarify that as per the G.R of SURYA-Gujarat scheme, operative period of scheme is up to FY 2024-25.

Moreover; It is to state that Hon'ble PM of India has launched MNRE National Portal (<https://solarrooftop.gov.in/>) for Rooftop Solar on 30.07.2022. On the MNRE National Portal, any residential consumer from any part of country can apply for installation of RTS and get CFA directly in his/her bank account as per National portal guidelines.

This is for information, please.
